### **My Pledge to my Country**

India is my country  
And I will always strive to make  
Me and My country  
to help in the development of Mankind  
To achieve this  
I shall be Caring for others and  
Principled in my behaviour  
I will be Reflective and Responsible for all  
my actions  
I will always be Open minded to new  
ideas and respect others' feelings  
I will Communicate all my feelings  
positively  
I will be an Inquirer and ask questions  
wherever required  
I will be a Risk taker and take time out to  
initiate progressive actions and stop all  
negative traits  
I will be a good Thinker and a Balanced  
person to make myself into a Proactive  
citizen at all times  
I will always apply the Knowledge  
I acquire to lead myself and thereby my  
country.
